

Milwaukee County Transit (MCTS) staff will come out to your location (e.g., school, agency, senior citizen group, etc.) to present the Freedom on Wheels program, at no cost to your organization.

Freedom on Wheels is a two-part presentation for groups of individuals that would like to learn to ride the bus:

- Part One is a classroom type setting, focusing on transportation options, acceptable fare forms, proper bus etiquette rules, safety concerns and trip planning using the Ride MCTS website and app.
- Part Two consists of participants taking a tour of an MCTS bus, followed by a short bus ride to enhance the hands-on-feel of riding the bus and practicing what was discussed in the classroom.

**** The New Freedom Presentation can be tailored to each organization's specific needs ****
