

A Happy Hour on Herbs!

Thursday, August 14 at 12:30 PM

**Guest Speaker: Kathy Intravaia, Master Gardener Volunteer
with the SouthEast Wisconsin Master Gardeners Program**

Join us and learn about growing and harvesting your favorite herbs. Growing herbs is an easy and fun way to ensure you have just what you need to add a little flavor to your dishes.

Herbs from the grocery store can be very expensive and have often been exposed to harmful pesticides and contaminants. They will never match the freshness of Herbs you grow yourself. In addition to tasting the difference, your fresh herbs will look and smell great! As a bonus, you will learn some priceless tips and tricks to get the most out of your herb garden, and will take home some radiant recipes to enjoy!

Location: West Allis Senior Center, 7001 W. National Avenue

Registration required; please call 414-302-8700 by Tuesday, August 12.
