

### Driving

South of W. Lincoln Ave., take S. 111 St. to W. Hayes Ave. W. Hayes Ave. bends right (at the end of S. 111 St.) and dead ends into the new trail head for the north access to the dog park.

### Parking (on-street only)

Park on S. 111 St. or upon W. Hayes Ave. the street between Lincoln Contractors Supply and Rogers Hospital.

Street parking signage identifies available on-street parking rules for both W. Hayes Ave. and S. 111 St.

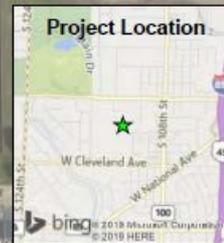

### Walking

Walk to the dead end of Hayes Ave. and use the gravel trail to access the park north gate.

It's a short walk (about 350-ft), but the dog park entrance isn't readily visible from W. Hayes Ave.

### Dog Park area

Please keep dogs leashed until within the small dog or large dog areas.
