Dear Valued Restaurant Operator,

If you have not already been informed, The Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) wanted to provide you information from Gov. Tony Evers' [emergency order](#) limiting gatherings to fewer than 10 people.

The directive instructs restaurants and bars to end dine-in service. No seating may be provided, and food may not be consumed at the restaurant.

The exemption allows you to serve food in the following ways:

- **Takeout.** Orders must be received by phone, or ordered online for pickup or car-side receipt. Customers can only enter the establishment to pay and receive their orders. Social distancing of 6 feet must be maintained during pickup.
- **Delivery**
- **Drive-thru**

This order remains in effect for the duration of the public health emergency declared in [Order No. 72](#), or until a superseding order is issued.

The [State of Wisconsin created a webpage](#) that offers resources from various agencies and answers to critical questions. Here are a few other resources from the Wisconsin Department of Health Services (DHS) that might be helpful during this challenging time:
