WEST ALLIS/WEST MILWAUKEE HEALTH DEPARTMENT UPDATES

The West Allis/West Milwaukee Health Department is busier than ever as *COVID-19 continues to be a threat to the community*. The number of new daily positive cases is trending upward and daily highs continue to grow.

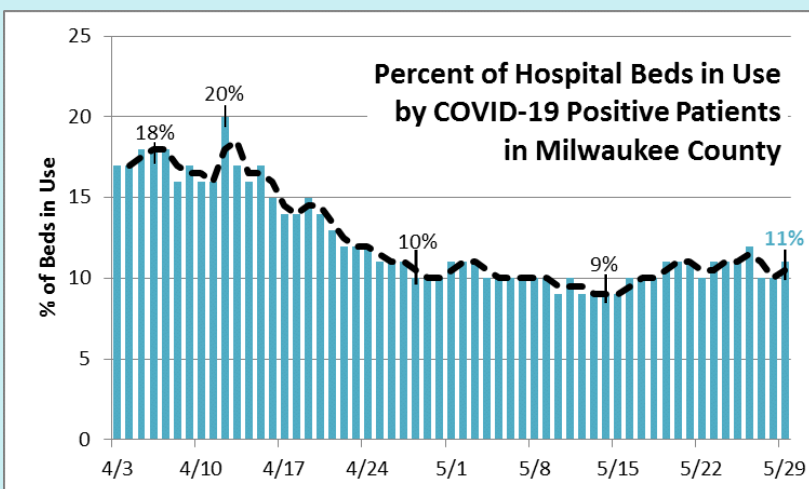

Notably, there has been an increased availability in testing. However, the percent of positive cases versus total tests in West Allis and West Milwaukee averages **10.8%** in the last two weeks (5/14/2020 to 5/28/2020). This is higher than the Wisconsin State average.

As businesses start to re-open, city officials urge **business owners to take responsible steps** to assure proper social distancing in their establishments and protective measures.
