### Incident Summary

On September 3, 2021, at approximately 7:50 a.m., the Greenfield Police Department received a 911 call from a female attendant who works at a gas station located in the 5900 block of S. 27 St., in the City of Greenfield. The attendant indicated they were working at the gas station when a male subject walked in and said he was kidnapped by a male who was waiting outside in a silver Chrysler. The male said this person was going to kill him and they were heading to a school. The male then left his California ID with the attendant and left. The attendant last observed the vehicle traveling southbound on S. 27 St. Information related to the call was broadcast to officers with the Greenfield Police Department. Some officers responded to the gas station while other officers checked the area for the silver Chrysler.

At approximately 8:08 a.m., the Franklin Police Department received multiple 911 calls from employees at a store in the 6700 block of S. 27 St., reporting there was a shooter in the store and shots were being fired in the parking lot. It was further reported that a suspect left in a silver vehicle toward S. 27 St. Information related to the calls was broadcast to officers with the Franklin Police Department. Multiple officers responded to the store. The initial investigation determined that no shots were fired and that an individual (later identified as David Wayne Marshall Jr.) fled the store in a silver Chrysler. In addition, the male who told the gas station attendant that he was kidnapped was located.

The kidnapping victim told officers that he was approached by a male subject (later identified as David Wayne Marshall Jr.) on S. 26 St. (City of Milwaukee), earlier in the morning. Marshall told him that he needed a ride and the victim was going to go with him. At this point, it is unknown if the victim saw a gun. The victim drove Marshall to a store in the 3300 block of S. 27 St. (City of Milwaukee), where Marshall purchased various clothing items. The victim then drove Marshall to a gas station (City of Greenfield) and it was at that time he informed the attendant he had been kidnapped. The victim then returned to his vehicle and drove Marshall to a store in the 6700 block of S. 27 Street (City of Franklin). The victim and Marshall walked into the store together, but, as they walked down a main aisle, the victim ran off without Marshall realizing it. The victim told staff that there was a person with a gun in the store and that he had been kidnapped.

A short time after officers responded to the store and made contact with the kidnapping victim, an officer with the Oak Creek Police Department observed the suspect vehicle traveling at a high rate of speed on S. 20 St. The officer engaged in a brief pursuit of the vehicle, but terminated the pursuit due to safety concerns.

At approximately 8:19 a.m., other officers with the Oak Creek Police Department observed the suspect vehicle around I-94/W. Ryan Rd. The officers observed the suspect (later identified as David Wayne Marshall Jr.) was armed with a firearm. The officers engaged in a pursuit during which speeds reached approximately 106 mph. At approximately 8:21 a.m., an

At approximately 8:22 a.m., the suspect vehicle crashed at S. 27th St./W. Ryan Rd. Marshall exited the crashed vehicle and carjacked a Chevrolet Malibu while brandishing a rifle. A sergeant with the Oak Creek Police Department fired one shot at Marshall at this location, but it did not appear Marshall was struck. Marshall fled northbound on S. 27 St., in the stolen Chevrolet Malibu. Officers again engaged in a pursuit with the suspect vehicle during which speeds reached at least 90 mph.

A short time later, Marshall attempted to maneuver through a red traffic light at W. Sycamore Av./S. 27 St., but caused a crash resulting in the suspect vehicle rolling over and coming to a stop in the front yard of a residence in the 6600 block of S. 27 St. Marshall was observed exiting the vehicle carrying a black assault style rifle. He failed to comply with officers' commands and officers perceived he posed an imminent threat to themselves and the community. As such, 8 officers discharged their weapons and the suspect was stopped.
