**CITY OF WEST ALLIS TID
HOUSING REHABILITATION PROGRAM**

You must meet the following terms and conditions in order to qualify for a Home Repair Loan from the City of West Allis Housing Division:

1. Home must be a single-family or two-family residence occupied by the owner.
2. Applicant must be the owner as registered with the Milwaukee County Register of Deeds Office.
3. Applicant must be within the income limits as set by the City of West Allis Housing Division.
4. The Housing Division will assume that all housing built before January 1, 1978 contains lead-based paint. The owner will agree to correct all lead based paint hazards, according to program regulations, in these properties.
5. Applicants may opt to hire certified contractors to perform paint testing and risk assessment. Results must be given to the Housing Division before a property will be considered exempt from lead based paint regulations. The cost of paint testing and risk assessment can be added to the applicant's loan.
6. In most cases, work that disturbs painted surfaces must be completed by a lead certified contractor. This work will also have to pass lead clearance testing.
7. Applicant must pay for title search, lien recording, \$75.00 annual loan servicing fee and credit check. These charges are added to the loan (Total \$80.00 to \$500.00).
8. Applicant must sign a lien and promissory note on the property. If house was purchased on a Land contract, the vendor must also sign the loan papers.
9. Eligible repairs include correction of code violations or incipient violations, weatherization work, repairs necessary for the safety and welfare of the occupants and repairs that increase the value or enhance the marketability of the property.
10. Loan requests can not exceed \$15,000.
11. If applicant is delinquent on any present mortgages, real estate taxes or at risk of foreclosure, the loan will not be approved.
12. The City of West Allis Housing Division reserves the right to refuse to issue, or to cancel the loan if the condition of the house is unworkable. This includes dirt, infestation, excessive debris in the house or basement, or any other condition that hinders a proper inspection of the property.
13. Applicant must make the house accessible to the City of West Allis Housing Inspector, Building Inspectors, and to all contractors and workmen.
14. Upon completion of construction, the applicant agrees not to unreasonably or arbitrarily withhold his or her signature of approval. If such approval is unreasonably or arbitrarily withheld, the City of West Allis Housing Division will pay the contractor upon the approval of the inspector. Such paid bill will then be a debt of the applicant.
15. **The City of West Allis Housing Division may not subordinate its loan position. If you are planning on refinancing your mortgage, do it before you apply for this loan.**

CITY OF WEST ALLIS LOAN APPROVAL PROCESS

From the time you submit your application, it takes approximately 6 to 8 weeks before contractors can begin working on your house. To help you understand the steps involved in our approval process, we have listed our procedures below:

1. Homeowner submits completed application and income taxes.

4. The Housing Division sends the homeowner a letter of eligibility and itemized specifications for the work to be done.
5. The homeowner contacts contractors for estimates.
6. The homeowner submits all bids to the Housing Division no later than sixty (60) days from receipt of the specification sheets. Two (2) bids are required for each work item. Bids must be submitted on the Housing Division's specification sheets or on contractor company letterhead. Contractors are selected based on homeowner preference.
7. The Housing Division orders credit and title reports.
8. Final loan approval / denial is determined after a review of both credit and title reports has been completed.

10. Contractors sign contracts prepared by the Housing Division.
11. The homeowner signs loan documents. A three (3) day waiting period is required.
12. Proceed notices are sent to contractors.
