Online Help System
www.westalliswi.gov/letushelp

It is our goal to provide a better and safer community for everyone. Our online help system allows you to do the following:
• Ask a question
• Express a comment or suggestion
• Report a concern or issue
• Request a service

Your submission will be automatically routed to the appropriate City department. You may receive future e-mails requesting additional information as needed.

Submissions are not monitored outside of normal business hours. If this is an emergency or an in-progress public safety issue, call 911 or the non-emergency phone number 414-302-8000.

The City of West Allis uses CivicReady for its city-to-residents emergency notifications. This solution allows the City to issue urgent notifications, emergency instructions, warnings, and even routine communications to subscribed citizens via email, text message, and voicemail alert, to keep citizens safe and informed.

In the event of a local emergency, citizens subscribed to CivicReady will benefit from immediate, actionable information and instructions sent via their preferred notification channel. For non-native English speaking citizens, CivicReady notifications can be automatically translated into one of 11 languages to maximize the effectiveness of the platform in ensuring mass awareness of potentially impactful situations.

To sign up, visit www.westalliswi.gov/civicready and follow the instructions.
